Varsity Football

After losing only to Weymouth and Waltham in September 1967, Brookline proceeded to win fifteen straight games, including impressive wins over those same teams. The streak was broken by Newton on Thanksgiving day 1968 but only after Brookline had already clinched a tie for the Suburban League and state championships.

The size and quickness of the Indian defense was the team's strongest asset, as they posted three shutouts and surrendered a meager 64 points in nine games. The Red and Blue scored 22 points in the first half alone against both Watertown and Chelsea, an indication of the explosiveness of their offense.

The dedication that all the players exemplified has become a source of pride and leadership for the student body at Brookline High.

Look around,

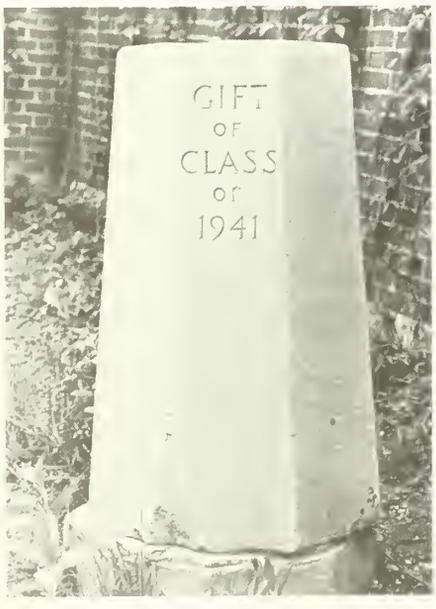
Leaves are brown,

And the sky

is a hazy shade of winter.

Long ago . . .

It must be . . .



I have a photograph.

Preserve your memories;

They're all that's left you.
